<p>(23-26)</p> <p>Bamboo makes up the most useful subfamily of the Grass Family. In fact, bamboo is the most useful plant known. The Japanese alone have more than 1,500 uses for it! Green, woody, jointed bamboo poles form large colonies called brakes. Grass-like leaves grow from jointed branches all along the trunk. Bamboo grows faster than any other known plant, as much as an inch every 40 minutes! Despite this ability, pressures to use land for other purposes have decreased the number of bamboo plantations. This does not bode well for the food, building materials, fuel, and paper industries which count heavily on this resource.</p> <p>23. Which is <u>not</u> true of bamboo?</p> <p>① It belongs to the Grass Family. ② It is used by Japanese people alone. ③ Its poles form large clusters. ④ It grows leaves along its trunk.</p> <p>24. How rapidly can bamboo grow?</p> <p>① 40 inches every minute ② in 40 minutes to its fullest ③ the fastest of all known plants ④ beyond an inch per 40 minutes</p> <p>25. Why has the number of bamboo plantations declined?</p> <p>① other land uses ② natural pressures ③ declining demand ④ plantation job losses</p> <p>26. What does the writer suggest will be the result of fewer bamboo plantations?</p> <p>① Food shortages will occur. ② Bamboo-reliant enterprises will be impacted. ③ Construction will damage plantations. ④ Bamboo will be a less important resource.</p>		<p>27. What is the main topic of the passage?</p> <p>Tourism has devastated fragile ecosystems like the Alps and Himalayas. Worldwide, it poses a serious threat to coastal habitats, while fueling a booming and usually illegal trade in the products of threatened wildlife. Besides, consumers inevitably bring their habits and expectations with them — whether it's hot showers and flush toilets or well-watered greens for golfers.</p> <p>① tourism's emergence ② tourism's pros and cons ③ tourism's compulsion ④ tourism's repercussions</p> <p>(28-29)</p> <p>At twenty-five, Melville's experiences had already supplied the raw materials for his books. As a seaman, he had served aboard the trader <i>St. Laurence</i>, the whaler <i>Acushnet</i>, the Australian bark <i>Lucy Ann</i>, and the frigate <i>United States</i>. He had undergone "an indulgent captivity" of some four weeks with a cannibal tribe in the Marquesas. His adventures, preceded by an aimless, sketchy education, were followed by travel in Europe and the Holy Land. These events were enough to produce not only <i>Moby Dick</i> but almost a score of other works.</p> <p>28. What is the main idea of the passage?</p> <p>① Melville was a versatile man. ② Melville once lived aimlessly. ③ Melville's experiences influenced his books. ④ Melville wrote his masterpiece at twenty-five.</p> <p>29. Which of the following did Melville do first?</p> <p>① work aboard several ships ② experience captivity by cannibals ③ receive a poor education ④ travel in Europe</p>
