[Notice]

- ※ If the application fee is not received by the payment deadline, the application will be automatically canceled.
- ※ The application fee must be paid after completing the online application.
- ※ For overseas remittance, the remittance fee must be fully covered by the sender.

[Application fee refund]

1. According to the Higher Education Act, if there is a balance in income and expenditure related to the admission process, the application fee paid may be refunded in proportion to the amount paid.
2. In the case of remittance to a refund account of a financial institution, the cost of using the financial institution's computer network will be deducted from the amount to be refunded and then refunded. In addition, if the cost of using the financial institution's computer network exceeds the amount to be refunded, the application fee will not be refunded.
3. Application cancellation is not allowed after the application deadline, and the application fee will not be refunded. However, in the case of overpayment, natural disaster, change in the application date, or unavoidable reasons that are not clearly attributable to the applicant, a portion or all of the application fee will be refunded. **If you do not submit all or part of the application documents or do not meet the application qualification requirements, you will be disqualified and the application fee will not be refunded.**
